Dear Parent/Carer,

We are delighted to hear that you have been allocated a place for your child to join us at Rudheath Senior Academy in Year 7 this September. Thank you for choosing our school for the next stage of your child's educational journey. We are looking forward to working with all our future families to make the transition as smooth as possible at such an exciting time.

At the centre of our culture are two key qualities - Excellence and Kindness. We endeavour to nurture caring, trusting and positive relationships between pupils, staff, and parents and carers, and we make a promise that all young people will leave Rudheath as a resilient, independent and happy individual.

Over the last 2 years, there have been many positive changes at Rudheath, highlighted by the refurbishment and upgrade work to our school building, bringing new classrooms and learning environments to all of our community.

We may have more people than your child is used to at primary school, but we are no less committed to providing excellent individual support. We recognise that everyone has a variety of strengths and our team are here to support you and your family throughout the next five years. We have high expectations for our pupils and our aim is provide the best possible school experience.
