4<sup>th</sup> May 2022

Dear Parent/Carer,

This week will start the beginning of the exam season with Spanish speaking exams taking place between 4<sup>th</sup> – 6<sup>th</sup> May. Exams will continue between 11<sup>th</sup> May and 27<sup>th</sup> June (29<sup>th</sup> June Contingency Day). Students have been issued with exam timetables; dates can also be found under the exams page on our [school website](#).

Attendance is key to achieving good results, we cannot emphasise enough the importance of punctuality and attendance, especially during the next few months. Please support your child to arrive at school on time with the equipment they need.

To support our students achieving their full academic potential we are running breakfast, period 6 and weekend revision sessions for the following subjects during the exam period. Please encourage your son or daughter to take full advantage of the addition support available.

Click on the subjects below and complete the Microsoft forms to confirm attendance at these sessions. Dates and times of each revision session can be found attached to this email.

Recent guidance from UKHSA states students should attend school with mild cold type symptoms. If your child is unwell and has a high temperature, they should stay at home, click [here](#) for more information. If your child is unwell and has a high temperature, please contact the school office at the earliest opportunity where we will review the situation and look at next steps to help support them.

If you have any concerns or questions, please liaise with your child's form tutor or Mrs Cooper (Head of Year 11) in the first instance. We are here to support you every step of the way. Wishing your son/daughter the very best of luck in all their exams.

Yours sincerely,

**Miss Julie-Ann Wilson**
